Invitation to join the Gibraltar Insurance Institute (GII)

As you are aware, the Gibraltar Insurance Institute continues to grow and would like to invite you to become a member.

BACKGROUND

The Institute has been established to promote higher standards of professionalism in the Gibraltar insurance market through the:

- Co-ordination and provision of insurance training.
- Facilitation of continuous professional development through a series of technical seminars.
- Liaison with the Chartered Insurance Institute (CII) on behalf of the local members.
- Promotion of discussion and exchange of information on insurance issues through various social events, including an annual dinner.

MEMBERSHIP

Membership of the Institute is open to current members of the CII who live or work in the area, or employees working in the insurance industry in Gibraltar or surrounding area. All members pay the same annual fee of £15.00.

There are two categories of membership as follows:

(i) **VOTING MEMBERSHIP**

This entitles the member to vote for council officials and for any special resolutions required under the constitution.

To qualify for this category, you must be an existing member of the CII. Please note that the membership fees for the GII are additional to your CII subscriptions.

(ii) **NON-VOTING MEMBERSHIP**

This is open to anyone working in our industry not wishing to join the CII in the UK.

Joining the Institute as a “social member” will provide all the benefits of membership except voting rights.

WHY SHOULD I JOIN THE GII?

- Low cost, high value subscription that will provide access to top quality technical training.
- Membership will provide the easiest route to “CPD points” facilitating the maintenance of professional designations such as Cert CII, ACII, etc.
- Help to further raise the International reputation of the Gibraltar Financial Services industry. To improve comparisons with alternative international finance centres, Gibraltar should have a vibrant Insurance Institute.
- Meet colleagues in a social context. No other forum currently exists where insurance staff can meet regularly.

HOW DO I JOIN?

To join the Institute, simply complete and return the attached application form to the Membership Secretary:

Membership Secretary - membership@gii.gi

If you require any further clarification, or information please contact any one of us.

You can also visit our website to download the membership application and renewal forms, view the schedule of our forthcoming events, and have a look at the photos from previous social events. www.gii.gi

We hope that you will join the Institute and look forward to meeting you at one of our forthcoming events, details of which are circulated to members.

President of the Gibraltar Insurance Institute
